#### THE SHIRO RAMEN STORY

48 hours to prepare a lifetime to perfect - Shiro's ramen dishes have a very special place in the heart of our Hong Kong Executive Chef Tatsuya lawhashi.

He was only eight years old when he started learning the family's ramen recipe in his father's tiny, but always crowded, ramen restaurant. Using his father's secret recipe of carefully selected shiitake mushrooms, kombu seaweed and fresh yuzu, the ramen broth is simmered for two days to produce the perfect combination of texture and rich flavours that is so proud to share with us today.
